ENROLLMENT APPLICATION - ORGANIZATION

LIMITED ENROLLMENT FOR MANAGED CARE NETWORK PROVIDER (ORGANIZATION)

To comply with the Medicaid and CHIP Managed Care Final Rule (CMS-2390-F) and 42 CFR § 438.602(b), each State Medicaid Agency (SMA) must screen and enroll all network providers of contracted MCOs. If you execute a network provider agreement with one or more of the contracted MCOs in Missouri, you must submit this enrollment application to the Missouri Medicaid Audit & Compliance (MMAC) Provider Enrollment Unit within 120 days of the effective date of your MCO contract. You only need to submit one application to MMAC, regardless of how many MCOs you hold a contract with. If you do not complete the application process with MMAC, the MCO(s) is required to terminate your network agreement.

Organizational providers completing this application will not submit claims to MO HealthNet, nor will they be required to provide any services to Medicaid Fee for Service participants.

If you are already enrolled with MO HealthNet as a billing or performing provider, you do not need to complete this application.

Please type or print legibly using BLACK OR BLUE INK ONLY, and retain a copy of this entire document for your records.

Provider Enrollment Application Instructions for MCO Network Provider (Organization)

This application is to be used by organizational providers and only if you are enrolling for the sole purpose of meeting the federally mandated requirements of the Medicaid and CHIP Managed Care Final Rule (CMS-2390-F) and 42 CFR § 438.602(b). All questions must be completed. Attach additional sheets if necessary to answer each question completely and each additional sheet must display the relevant question number from the application.

If your organization is already enrolled with MO HealthNet and you only need to update information, please complete and submit a Provider Update Form. If you want to terminate your MO HealthNet enrollment, please complete a Provider Update Form.

Requirements:

42 CFR § 438.602(b) states: (1) The State must screen and enroll, and periodically revalidate, all network providers of MCOs, PIHPs, and PAHPs, in accordance with the requirements of part 455, subparts B and E of this chapter. This requirement extends to PCCMs and PCCM entities to the extent the primary care case manager is not otherwise enrolled with the State to provide services to Fee-For-Services (FFS) beneficiaries. This provision does not require the network provider to render services to FFS beneficiaries. (2) MCOs, PIHPs, and PAHPs may execute network provider agreements pending the outcome of the process in paragraph (b)(1) of this section up to 120 days, but must terminate a network provider immediately upon notification from the State that the network provider cannot be enrolled, or the expiration of one 120 day period without enrollment of the provider, and notify affected enrollees.

This requirement will apply to Ordering, Prescribing, and Referring (OPR) providers in a managed care setting as well.

- If you are already enrolled with MO HealthNet, you do not need to completethis application.

- This application is solely for MCO Network providers not participating with the MO HealthNet Fee for Service program. If at any time you would like to become a fully participating MO HealthNet provider, you must submit a new enrollment application form for your specific provider type.

- You must have a ten digit National Provider Identifier (NPI). The NPI is the standard, unique health identifier for health care providers and is assigned by the NationalPlan and Provider Enumeration System (NPPES).
  - The NPI must be for an organization (not an individual physician or non-physicianpractitioner NPI).
  - Applying for the NPI is a separate process from MO HealthNet enrollment.
  - To obtain an NPI, apply online at https://nppes.cms.hhs.gov.
  - For more information about NPI enumeration, visit www.cms.gov/NationalProviderIdentStand.
